

## NEWS RELEASE

May 11, 2020

TSX.V: AUL

### **Aurelius Grants Stock Options**

**Toronto, ON - Aurelius Minerals Inc. (TSX.V: AUL)** (the “Company” or “Aurelius”) wishes to announce the granting of incentive stock options to directors, officers, employees and consultants to purchase up to 5,690,400 common shares under the Company’s Incentive Stock Option Plan. The options were granted for a period of five (5) years, commencing on May 8, 2020, exercisable at a price of \$0.06 per share and vest immediately. Aurelius last granted options to its directors, officers, employees and consultants in January 2019. This grant reflects the Company’s practice of reviewing and, if appropriate, granting stock options annually.

#### **About Aurelius**

Aurelius is a well-positioned gold exploration company focused on advancing gold projects in Ontario’s Abitibi Greenstone Belt along with the just acquired and renamed Aureus Gold Properties, including Aureus West, the Tangier Gold Project and the Forest Hill Gold Project located in Nova Scotia and described in detail in the Corporation’s press release of November 18, 2019. The high-grade Aureus Gold Project and mill in Nova Scotia completed initial gold production from test milling of a bulk sample in March 2017. The Aureus Gold Project covers 1,684 hectares in 104 mineral claims with a gold-bearing vein system defined by diamond drilling over a strike length of 1.4 km and to a depth of 400 m.

Aurelius is also focused on advancing two district-scale gold projects in the Abitibi Greenstone Belt in Ontario, Canada, one of the world’s most prolific mining districts; the 968-hectare Mikwam Property, in the Burntbush area on the Casa Berardi trend and the 12,425-hectare Lipton Property, on the Lower Detour Trend. The Mikwam Property is comprised of 9 legacy claims consisting of 69 Cell Claims including 29 Single Cell Mining Claims (“SCMC’s”) and 40 Boundary Cell Mining Claims (“BCMC’s”). The Lipton Property is now comprised of 57 legacy claims consisting of 721 Cell Claims, 563 SCMC’s, 143 BCMC’s, and 30 “internal” and overlapping (i.e., two occupying the same space) BCMC’s.

The Company has a sound management team with experience in all facets of the mineral exploration and mining industry who will be considering additional acquisitions of advanced staged opportunities in the Abitibi and other proven mining districts.

On Behalf of the Board
