Registered Shareholders who are unable to attend the Meeting in person and who wish to ensure that their Common Shares will be voted at the Meeting are requested to complete, sign and deliver the enclosed form of proxy c/o Computershare Investor Services Inc. (the “**Transfer Agent**”), of 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1. Without specific instructions, intermediaries are prohibited from voting shares for their clients. **If you are a Non-Registered Shareholder, it is vital that the voting instruction form provided to you by the Transfer Agent, your broker, intermediary or its agent is returned according to the instructions provided in or with such form, sufficiently in advance of the deadline specified, to ensure that they are able to provide voting instructions on your behalf.**

INFORMATION CIRCULAR

(Containing information as at October 8, 2020 unless indicated otherwise)

SOLICITATION OF PROXIES

This information circular (the “**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Aurelius Minerals Inc. (the “**Company**”) for use at the Annual General Meeting of shareholders of the Company (and any adjournment thereof) to be held on Thursday, November 12, 2020 (the “**Meeting**”) at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors, officers and regular employees of the Company at nominal cost. All costs of solicitation by management will be borne by the Company.

APPOINTMENT OF PROXYHOLDER

The individuals named (the “**Management’s Nominees**”) in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **IF YOU ARE A SHAREHOLDER ENTITLED TO VOTE AT THE MEETING, YOU HAVE THE RIGHT TO APPOINT A PERSON OR COMPANY OTHER THAN THE MANAGEMENT’S NOMINEES DESIGNATED IN THE PROXY, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT FOR YOU AND ON YOUR BEHALF AT THE MEETING. YOU MAY DO SO EITHER BY STRIKING OUT THE NAMES OF THE MANAGEMENT NOMINEES AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE PROXY OR BY COMPLETING AND DELIVERING ANOTHER SUITABLE FORM OF PROXY.** If your Common Shares are held in physical form (i.e. paper form) and are registered in your name, then you are a registered shareholder (a “**Registered Shareholder**”). However, if, like most shareholders, you keep your Common Shares in a brokerage account, then you are a beneficial shareholder. The manner for voting is different for Registered Shareholders and Beneficial Shareholders (as defined below). The instructions below should be read carefully by all shareholders.

SPECIAL ARRANGEMENTS FOR TELEPHONE CONFERENCE PARTICIPATION IN RESPONSE TO COVID 19

In response to the unprecedented public health impact of COVID-19, and to mitigate risks to the health and safety of its shareholders, employees and local communities, the Company is urging shareholders not to attend the AGM in person. Shareholders should vote on the matters before the AGM by proxy or voting instruction form prior to the proxy cut-off on Monday, November 9, 2020 at 11:00 am EST.

Registered shareholders and duly appointed proxy holders may participate in the AGM via conference call. Registered shareholders and duly appointed proxy holders who have properly registered prior to the AGM as outlined below will be able to ask questions of management via the conference call at the conclusion of the AGM. In order to participate in the AGM, registered shareholders and duly appointed proxy holders must register via a link that will be provided by press release prior to the meeting or by email to the [lorna@aureliusminerals.com](mailto:lorna@lorna@lorna@aureliusminerals.com) prior to the proxy cut-off at 10:00 am EDT on Monday, November 9, 2020. A dedicated conference call line has been set up for the Meeting. Once you register to participate, you will be given a call in number and a confirmation number. The Company’s press release issued prior to the Meeting will provide instructions regarding participation in the Meeting. Please note that phone networks are currently very busy due to the global pandemic, and it is recommended that you attempt to connect at least fifteen minutes prior to the scheduled start time of the AGM.

Registered shareholders and duly appointed proxy holders who regard their physical attendance at the AGM as essential are asked to contact Lorna MacGillivray, Secretary at (416) 304-9093 or [lorna@aureliusminerals.com](mailto:lorna@lorna@lorna@aureliusminerals.com) prior to 11:00 am EST on Tuesday, November 10, 2020 so that appropriate measures can be put in place to facilitate physical distancing and other precautions or alternative participation arrangements made to ensure the health and safety of all attendees. The

Company will follow the guidance and orders of Provincial and Federal public health authorities in that regard, including those restricting the size of public gatherings.

REVOCAION OF PROXIES

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited with the Company's registrar and transfer agent, **Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1**, (the "Transfer Agent") at any time up to and including the last business day preceding the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by:

- (a) completing, dating and signing the enclosed form of Proxy and returning it to the Transfer Agent;
- (b) using a touch-tone phone to transmit voting choices to the toll-free number indicated in the Proxy. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the holder's account number and the proxy control number; or
- (c) using the internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the Proxy control number;

in all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their shares in their own name (referred to herein as "Beneficial Shareholders") should note that only registered shareholders may vote at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in such shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS Inc. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the brokers' clients. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy to the clearing agencies and intermediaries for onward distribution to Beneficial Shareholders.

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a

Beneficial Shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders. However, its purpose is limited to instructing the registered shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common Shares must be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted.**

This Information Circular and accompanying materials are being sent to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories - those who object to their identity being known to the issuers of securities which they own (“**Objecting Beneficial Owners**”, or “**OBO’s**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**”, or “**NOBO’s**”). Subject to the provision of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) issuers may request and obtain a list of their NOBO’s from intermediaries via their transfer agents.

If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the Common Shares on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. The intermediaries (or their service companies) are responsible for forwarding this Information Circular and other Meeting materials to each OBO, unless the OBO has waived the right to receive them. The Company has elected not to pay for an intermediary to deliver proxy related materials and voting instruction forms to OBOs. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

The Company has not adopted the notice and access procedure described in NI 54-101 and National Instrument 51-102 - *Continuous Disclosure Obligations* to distribute its proxy related materials to the Registered Shareholders and Beneficial Shareholders. In addition, the Company has not agreed to pay to distribute the proxy-related materials to the OBOs.

Meeting materials sent to Beneficial Shareholders who have not waived their right to receive Meeting materials are accompanied by a request for voting instructions (a “**VIF**”). This form is provided instead of a Proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. VIF’s whether provided by the Company or by an intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit a Beneficial Shareholder to direct the voting of the Common Shares which they beneficially own. If a Beneficial Shareholder who receives a VIF wishes to attend the Meeting or have someone else attend on his behalf, then the Beneficial Shareholder may write the applicable name in the space provided in the VIF, which will grant the Beneficial Shareholder or his nominee the right to attend and vote at the Meeting subject to the special arrangements in response to Covid 19 described above.

IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE REFER TO THE INSTRUCTIONS SET OUT ON THE “REQUEST FOR VOTING INSTRUCTIONS” (VIF) THAT ACCOMPANIES THIS INFORMATION CIRCULAR.

All references to shareholders in this Information Circular and the accompanying form of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

VOTING OF PROXIES

The shares represented by a properly executed proxy in favour of persons proposed by management as proxyholders in the accompanying form of proxy will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

ON A POLL SUCH SHARES WILL BE VOTED **IN FAVOUR** OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed form of proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter proposed to be presented to the Meeting.

The Advance Notice Provisions include, among other things, a provision that requires advance notice be given to the Company in circumstances where nomination of persons for election to the Board are made by Shareholders of the Company. The Advance Notice Provisions set a deadline by which shareholders must submit nominations (a "**Notice**") for the election of directors to the Company prior to any annual or special meeting of shareholders. EQUITY COMPENSATION PLAN INFORMATION

The Board of the Company adopted a Stock Option Plan (the “**Plan**”) effective November 2011 which was approved by the shareholders of the Company at the Company’s annual general meeting held on November 13, 2011 and at subsequent annual general meetings.

The purpose of the Plan is to allow the Company to grant options to directors, officers, employees and consultants, as an incentive to dedicate their efforts to advance the success of the Company. The granting of options is intended to align the interests of such persons with that of the members. Options will be exercisable over periods up to ten years as determined by the Board of the Company and are required to have an exercise price no less than the closing market price of the Company’s shares prevailing on the day that the option is granted, less a discount of up to 25%, the amount of discount varying with market price in accordance with the policies of the Exchange. Pursuant to the Plan, the Board may, from time to time, authorize the issue of options to directors, officers, employees and consultants of the Company and its subsidiaries or employees of companies providing management or consulting services to the Company or its subsidiaries. The significant terms of the Company’s stock option plan are set out below under the heading “Particulars of Matters to be Acted Upon – Annual Approval of Stock Option Plan”.

Compensation Discussion and Analysis

The Company's process of determining executive and director compensation relies on Board and Compensation Committee discussion without any formal objectives, criteria or analysis. Successful completion of the Company's exploration programs and business plans is taken into account in review of executive compensation.

The Company's compensation policy has been established with a view to continuing to provide executives and directors with compensation that is in accordance with existing market standards generally and competitive within the mining industry.

During the financial years ended December 31, 2019, March 31, 2019, and March 31, 2018, the Company moved to compensation packages for its executives that include base salary and option based awards under the Company's stock option plan (as more particularly described below). In early 2019, the Company provided executives with formal employment or consulting agreements that include provisions with respect to change of control, severance, termination and constructive dismissal. A summary of these agreements is provided below. To the extent possible, the Company adjusts base salary levels to approach competitive levels offered by other similarly sized exploration companies in order to ensure that it attracts and retains executives whose knowledge and skills are critical to the Company. Through its executive compensation practices, the Company seeks to provide value to its shareholders through a strong executive leadership. Specifically, the Company's executive compensation structure seeks to motivate and reward executives whose knowledge, skills and performance are critical to the Company's success and align the interests of the Company's executives and shareholders by motivating executives to increase shareholder value.

Executives and directors are eligible under the Company's stock option plan to receive grants of stock options. The stock option plan is an important part of the Company's long-term incentive strategy for its executives and directors, permitting them to participate in any appreciation of the market value of the Company's common shares over a stated period of time. The Company's stock option plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to executives is dependent on each executives' level of responsibility, authority and importance to the Company and the degree to which such executive's long-term contribution to the Company will be key to its long-term success.

The Board has not conducted a formal evaluation of the implications of the risks associated with the Company's compensation policies. Risk management is a consideration of the Board when implementing its compensation policies and the Board does not believe that the Company's compensation policies result in unnecessary or inappropriate risk taking, including risks that are likely to have a material adverse effect on the Company.

The Company does not have a policy that would prohibit a Named Executive Officer or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. However, management is not aware of any Named Executive Officer or director purchasing such an instrument.

Upon termination in the absence of a Change of Control, Mr. Niemi is entitled to salary and benefits as described above for a 12-month period.

The agreements provide the following definitions of Change of Control and Triggering Events:

A “Change of Control” is generally defined in the employment agreements as (a) less than 50% of the Board being composed of (i) directors of the Company at the time the respective agreement was entered into or (ii) any director who subsequently becomes a director with the agreement of at least a majority of the members of the Board at the time the respective agreement was entered into; (b) the acquisition by any person or persons acting jointly or in concert of 40% or more of the issued and outstanding Common Shares; (c) the shareholders of the Company approve all necessary resolutions required to permit any person to accomplish the result set forth in paragraph (b), above, even if the securities have not yet been issued to or transferred to that person; (d) the sale by the Company of property or assets aggregating more than 50% of its consolidated assets or which generate more than 50% of its consolidated operating income or cash flow during the most recently completed financial year or during the current financial year; provided that the provisions of this paragraph (d) shall not apply to any transaction that is negotiated by management of the Company if, following the transaction, the Executive continues in his/her position with the Company or any successor and no Triggering Event (as defined below) has occurred; or (e) the shareholders of the Company approve all necessary resolutions required to permit any Person to accomplish the result set forth in paragraph (d), above.

Notes:

- (1) *The Company has not granted any share-based award in the most recently completed financial year.*
- (2) *This amount is the aggregate dollar value that would have been realized if the options under the option-based awards had been exercised on the vesting date. It is determined by the difference between the exercise price of the option and the market price on the date of vesting. These options were not “in the money” as at the most recently completed financial year, as the closing market price of the common shares of the Company on the TSX Venture Exchange on December 30, 2019, being the last trading day to the most recently completed financial year end, of \$0.06 is at or below the stock option exercise price. If the option was not-in-the-money then a nil value was assigned.*
- (3) *Mr. McInnes retired from the Board on February 27, 2020.*

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set forth in this Information Circular, no person who has been a director or executive officer of the Company at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon other than the election of directors or the appointment of auditors. Directors and executive officers may, however, be interested in the approval of the Company's stock option plan as detailed below.

PARTICULARS OF MATTERS TO BE ACTED UPON

Annual Approval of Stock Option Plan

The Plan is a rolling maximum stock option plan providing for the number of Common Shares reserved for issuance under such Plan to be equal to 10% of the Company's issued and outstanding share capital at the time of any option grant. In accordance with the policies of the TSX Venture Exchange, (the "TSXV"), rolling stock option plans must receive shareholder approval annually. Accordingly, at the Meeting, shareholders will be asked to re-approve the Plan.

The Plan is intended to provide the Board with the ability to issue options to provide the employees, consultants, officers and directors of the Company with long-term equity-based performance incentives which are a key component of the Company's executive compensation strategy. The Company believes it is important to align the interests of management and employees with shareholder interests and to link performance compensation to enhancement of shareholder value. This is accomplished through the use of options whose value over time is dependent on market value.

The Plan incorporates the following terms and conditions:

1. The aggregate number of Common Shares which may be issued pursuant to options granted under the Plan, unless otherwise approved by shareholders, may not exceed that number which is equal to 10% of the Common Shares of the Company issued and outstanding at the time of the grant.
2. The number of Common Shares subject to each option will be determined by the Board, provided that the

aggregate number of Common Shares reserved for issuance pursuant to options granted to:

- (a) insiders during any 12-month period may not exceed 10% of the issued Common Shares of the Company unless the grant is approved by a majority of the votes cast by “disinterested shareholders”;
- (b) any one individual during any 12-month period may not exceed 5% of the issued Common Shares of the Company unless the Company is listed on Tier 1 of the TSXV and has obtained the approval of the disinterested shareholders;
- (c) any one consultant during any 12-month period may not exceed 2% of the issued Common Shares of the Company;
- (d) all persons employed to provide investor relations activities (as a group) may not exceed 2% of the issued Common Shares of the Company during any 12-month period;

in each case calculated as at the date of grant of the option, including all other Common Shares under option to such person at that time.

3. Options may be exercisable for a period of ten years from the date of grant. The options are non assignable and non-transferable. The options can only be exercised by the optionee as long as the optionee remains an eligible optionee pursuant to the Plan or within 90 days after ceasing to be an eligible optionee, (30 days in the case of a person engaged in investor relations activities), immediately in the case for dismissal from employment or service for cause, or, if the optionee dies, the earlier of the expiry date and the date which is six months after the date of death, provided that the Board, in its discretion may extend the date of exercise to the earlier of the expiry date and one year from the date of the optionee’s death.
4. If the normal expiry date of any option falls within any blackout period or within 10 business days following the end of any blackout period, then the expiry date of such options shall, without any further action, be extended to the date that is 10 business days following the end of such blackout period.
5. The Company can demand the payment of cash (or sell Common Shares issued upon exercise of an option), as may be necessary to satisfy the Company’s tax withholding obligations on behalf of any person exercising options.
6. To make such other “house-keeping” changes as may be requested by the TSXV.

The foregoing is only a summary of the salient features of the Plan. A copy of the Plan may be inspected at the offices of the Company at Suite 1900 – 110 Yonge Street, Toronto, Ontario during normal business hours and at the Meeting. In addition, a copy of the Plan will be mailed, free of charge, to any holder of Common Shares who requests a copy, in writing, from the Corporate Secretary of the Company. Any such requests should be mailed to the Company, at its Toronto office, to the attention of the Corporate Secretary.

Accordingly, shareholders will be asked to pass an ordinary resolution, in substantially the following form, to re-approve the Plan:

“RESOLVED, as an ordinary resolution, that:

1. the stock option plan (the “**Plan**”) as described in the Information Circular dated October 8, 2020 be and is hereby approved, subject to the acceptance for filing thereof by the TSX Venture Exchange and the grant of options thereunder in accordance therewith, be approved;
2. the number of Common Shares reserved for issuance under the Plan shall be no more than 10% of the Company’s issued and outstanding share capital at the time of any stock option grant;
3. the Board of the Company be authorized to make any changes to the Plan as may be required or permitted by the TSX Venture Exchange;

4. any director or officer of the Company is hereby authorized and directed for and in the name of and on behalf of the Company to execute or cause to be executed, whether under corporate seal of the Company or otherwise, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in connection with the foregoing; and
5. notwithstanding that this resolution has been duly passed by the shareholders of the Company, the Plan is conditional upon receipt of final approval from the TSX Venture Exchange and the directors of the Company are hereby authorized and empowered to revoke this resolution, without any further approval of the shareholders of the Company, at any time if such revocation is considered necessary or desirable by the directors.”

If named as proxy, the Management Nominees intend to vote the Common Shares represented by such Proxy at the Meeting for the approval of the Plan, unless otherwise directed in the instrument of Proxy.

An Ordinary Resolution must be passed by a simple majority of 50% plus one of the votes cast at the Meeting by the shareholders entitled to vote who are represented in person or by proxy at the Meeting.

ANY OTHER MATTERS

Management of the Company knows of no matters to come before the meeting other than those referred to in the Notice of Meeting accompanying this Information Circular. However, if any other matters properly come before the meeting, it is the intention of the persons named in the form of proxy accompanying this Information Circular to vote the same in accordance with their best judgment of such matters.

PURPOSE

The overall purpose of the Audit Committee (the “Committee”) of Aurelius Minerals Inc. (the “Company”) is to ensure that the Company’s management has designed and implemented an effective system of internal financial controls, to review and report on the integrity of the financial statements and related financial disclosure of the Company, and to review the Company’s compliance with regulatory and statutory requirements as they relate to financial statements, taxation matters and disclosure of financial information. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Company’s Management to ensure that the independent auditors serve the interests of Shareholders rather than the interests of Management of the Company. The Committee will monitor the independence and performance of the Company’s independent auditors.

COMPOSITION, PROCEDURES AND ORGANIZATION

1. The Committee shall consist of at least three members of the Board of Directors (the “Board”).
2. At least two (2) members of the Committee shall be independent and the Committee shall endeavour to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members’ independent judgment. At least one (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Company. For the purposes of this Charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements.
3. The Board, at its organizational meeting held in conjunction with each annual general meeting of the shareholders, shall appoint the members of the Committee for the ensuing year. The Board may at any time remove or replace any member of the Committee and may fill any vacancy in the Committee.
4. Unless the Board shall have appointed a chair of the Committee, the members of the Committee shall elect a chair and a secretary from among their number.
5. The quorum for meetings shall be a majority of the members of the Committee, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other.
6. The Committee shall have access to such officers and employees of the Company and to the Company’s external auditors, and to such information respecting the Company, as it considers to be necessary or advisable in order to perform its duties and responsibilities.
7. Meetings of the Committee shall be conducted as follows:

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.
